BUSINESS AND PUBLIC  
ADMINISTRATION

*Are you interested in a serious discourse on leadership truths that will rocket you to the top of your department, company, or cult? Skip that event! Instead, join Jim Damian for a humorous and interactive discussion on the 3 common lies that surround leadership.*

*This qualitative discussion will center on Jim's experience as an entrepreneur and why, in his experience, commonly held leadership principles actually serve to stunt the growth of people and organizations.*

#### GUEST SPEAKER

**Jim Damian**, *Founder and CEO of Stria, LLC*

Jim Damian, a Kern County native, holds an undergraduate degree from San Diego State University and a graduate degree from the University of California, Berkeley. After a short career in social work, Jim founded Stria, a business process outsourcing (BPO) company that uses human beings and artificial intelligence to make work easier.
